A lot of music,
not a lot of money.

Pick a winner every time.

Electric Blue is red hot.

The neck feels great.

Midnight wine, all night long.
Whole lot of shakin' going on.

Take off.

Contemporary Strat

Standard Tele
in Blonde

Standard P-Bass
in Black

Standard J-Bass
in White

An excellent vintage.

The Fender P-Bass® J-Bass®
and Bullet Bass® guitars
deliver the authentic
sound and feel of the
original

Two bass hit.

The real rock bottom.

Single coil, triple strength.

Black Beauty.

Classic looks, classic sounds.

Work hard, play harder.

It'll get you there.

Players have long admired the legendary sound and feel of Fender. Squier II does it better. Squier—another member of the Fender family—brings you brilliant executions of the instruments at remarkably affordable prices.

It must be string fever.

Hot looks, cool price.

You always wanted a blonde.

It's only rock n roll.

Move to the groove.

Frost White is too cool.

Do it.

It'll get you there.

is brilliant sound, superior playability and solid, dependable quality. These instruments offer the combination and exceptional value. Nothing else in their class even comes close!
